FLORIDA REP

WHERE SPECTACULAR STORIES COME TO LIFE ON STAGE!

2026 SEASON OFFERING

**LITTLE SHOP
OF
HORRORS**

**Playing in The Historic Arcade Theatre
Directed by: Jason Parrish**

A deviously delicious American cult classic! At Mushnik's Skid Row Florists, down-on-his-luck Seymour pines for his beautiful co-worker, Audrey (who is trapped in an abusive relationship with a masochistic dentist). When Seymour stumbles across a strange and interesting new plant – with an unquenchable thirst for human blood – it looks like all his dreams may come true. Based on a 1960s B-Movie, Little Shop is packed with laughs, thrills, chills, and all the hit songs it made famous – “Skid Row,” “Feed Me”, “Suddenly Seymour,” and more! “Virtually every song is catchy or memorable, and virtually every number is show-stopping”
